

PERCY

PERCY embraces a vibrant Spanish persona, drawing inspiration from Barcelona's lively pintxos and tapas bars. Capturing the simplicity and joy of Spanish dining, PERCY offers a snack-heavy selection of tapas, perfect for sharing and suited to any occasion.

Our eclectic drinks menu highlights organic wines, with a focus on local Spanish varietals that aim to bring Spain's 3,000-year-old winemaking culture to Australia. With an ever-evolving selection that encourages guests to discover something new with each visit, there's always a new wine to try at PERCY.

Set against exposed sandstone walls and centuries old wooden beams, the lively yet relaxed atmosphere blends the rich history of Hotel Woolstore 1888 with the dynamic spirit of a modern tapas bar, where the essence of Spain and Hotel Woolstore 1888's legacy come together to create a truly memorable experience.

Our wine list has been carefully curated to arrange wines from the lightest and most acidic to the heaviest and most full-bodied. We may not have some of the classic Australian varietals that people are used to, but we can certainly find something to suit everyone's palate from the shores of Spain.

Underneath each wine, you'll find a short and concise description of the aroma and taste to help match what you're looking for to what we offer.
